

AMENDMENT TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application. The following listing provides the amended claims with deleted material crossed out and new material underlined to show the changes made.

Listing of Claims:

1. (Original) Cell culture medium composition containing:
 - (i) serum and/or serum fraction of human origin and/or of animal origin
 - (ii) insulin or a derivative of the latter
 - (iii) one or more compound(s) chosen from the class of antioxidants and/or vitamins.
 2. (Original) Composition according to claim 1, in which human serum is used.
 3. (Original) Composition according to claim 1, in which bovine serum is used.
 4. (Original) Composition according to claim 1, comprising moreover one or more compound(s) chosen from the class of FGF-type growth factors.
 5. (Original) Composition according to the preceding claim, in which the class of FGF-type growth factors is composed of bFGF, FGF-2 to FGF-10.
 6. (Canceled)
 7. (Original) Composition according to any one of claims 1-2 and 4-6, in which the human serum concentration is less than 5% by volume, preferably between 1% and 3%.
- Claims 8-30 (Canceled).
